

Discussion Question for Response #3 to be posted by 9:00 PM on Thursday, Aug 2<sup>nd</sup>

### Diversity and/or Unity in Early Christianity

Considering the wide variety of canonical and non-canonical Christian texts that we have discussed this week, what consistent threads of thought, if any, do you find reoccurring in the various texts? What are the most obvious differences? What do the similarities and differences in these documents tell us about the diversity and/or unity of the early Christian communities?
